Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Monday 02 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine with chance of showers Monday afternoon.

Today:
After a fairly chilly start, Monday looks set to be mostly dry with bright or sunny spells and winds remaining light. Chance of a light afternoon shower. Turning mostly sunny by evening. Maximum temperature 20 deg C (68 deg F).

Tonight:
Remaining cloud mostly dispersing to leave long clear spells with light winds. This will give a chilly night with a few mist patches developing around dawn. Minimum temperature 8 deg C (46 deg F).

Tuesday:
Chilly start with any mist soon clearing. Sunny morning before cloud increases by afternoon, but most areas staying fine. Chance of a shower later. Light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
An unsettled spell of weather with some clear or sunny spells and heavy showers developing each day, with torrential downpours likely to affect some areas, perhaps more especially during Thursday.
